# Seeking Applicants for Deputy Executive Director

## About MOSERS

### *Purpose*

Established September 1, 1957, the Missouri State Employees' Retirement System (MOSERS) administers defined benefit pension plans, defined contribution plans, life insurance, and long-term disability insurance for employees of the state of Missouri as well as ten regional colleges and universities. MOSERS mission is to advance the financial security of our members.

### *Administration*

The administration of MOSERS is vested in an 11-member Board of Trustees. The Board is comprised of the following:

- Two members of the Senate
- Two members of the House of Representatives
- Two members appointed by the Governor
- State Treasurer
- Commissioner of the Office of Administration
- Three member-elected trustees (two active, one retired)

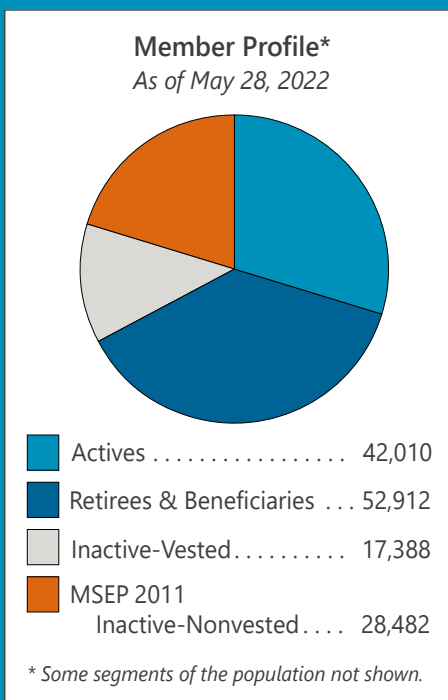

Visit our website for more information regarding the MOSERS [Board of Trustees](#).

## Administration of Benefits

### Defined Benefit Pension Plans

MOSERS administers two **defined benefit pension plans**: the Missouri State Employees' Plan (MSEP), covering the majority of state employees, and the Judicial Plan, covering approximately 1,000 active and retired members. The MSEP, MOSERS largest retirement plan, covers approximately 142,000 members which includes active members, retirees and beneficiaries, and inactive-vested and MSEP 2011 inactive-nonvested members.

### Long-Term Disability & Life Insurance

MOSERS administers term life and long-term disability insurance for most state employees. MOSERS provides these benefits through a contractual relationship with The Standard Insurance Company.

# MOSERS Profile

## Organizational Structure

MOSERS has approximately 95 employees working in two separate buildings, located in close proximity to each other. The deputy executive director oversees six sections within the Operations department, comprised approximately of 60 employees. These sections Include:

- **Accounting** - The staff in this section are responsible for all financial records of the programs administered by MOSERS, including the preparation of financial and statistical reports and purchasing functions for MOSERS. This team works with the investment custodian, internal investment managers, Office of Administration accounting team, state of Missouri, actuaries, banks, and the IRS.
- **Benefits Administration** - Staff in the benefits administration section are responsible for member data, benefit verifications and inception, as well as contact with members regarding the benefit programs administered by MOSERS.
- **Communications & Education** - Communications and education staff are responsible for presenting information in clear and concise ways to facilitate effective, well-informed decision-making, planning, and action. They produce print and electronic materials for members regarding the benefits administered by MOSERS. This team is responsible for the design and content of the MOSERS websites. This team also conducts educational webinars and seminars for members and employers.
- **Employer Services** - Staff in the employer services section facilitate the collection of member and employer contributions, maintain member benefit eligibility records, and provide technical assistance and general education to employer representatives regarding the timely and accurate submission of payroll and benefit eligibility data.
- **Information Technology** - Staff in this section provides computer and technical design support for MOSERS' administrative activities. This team is responsible for developing and maintaining the automated systems used to administer benefits. They are responsible for the document imaging system, network and data security, unified communication system, and all computer hardware.
- **Project Management** - This team is responsible for implementing a new pension administration system to replace MOSERS' legacy system. This includes business process mapping and analysis to identify efficiencies and mitigate risk, as well as working closely with multiple external vendors focused on data preparation and system design. The plan is to deploy the pension administration system in the second quarter of 2023.

# Jefferson City, Missouri

The seat of state government, Jefferson City is located in the heart of Missouri. Sitting along the Missouri River with tree-lined bluffs, Jefferson City features natural landscapes, historic buildings, and special landmarks. The Missouri State Capitol, Supreme Court Building, Governor's Mansion, charming Downtown, and beautiful parks and trails are just a few of its many treasures.

*Business Insider* ranked Jefferson City the second best city to live in after the pandemic. Rand McNally named Jefferson City "**America's Most Beautiful Small Town.**" Jefferson City boasts the ease of small town life, such as quick commutes and low cost of living, with all the amenities offered by much larger cities. Columbia Regional Airport is a 25-minute drive and offers free parking with affordable daily flights to international hubs. Kansas City and St. Louis are both within a 2.5 hour drive or train ride where you can take in a professional baseball, football, hockey, or soccer game, along with world-class museums, theaters, and dining. The Lake of the Ozarks, the state's most popular vacation destination, is located 40 minutes away with more miles of shoreline than the coast of California.

Jefferson City, a tight-knit community, offers several elementary and secondary educational opportunities. The public school district includes two high schools, two middle schools, and 11 elementary schools, which exemplify the district-adopted slogan of "Stronger Together." Additionally, there are five private elementary schools and three private high schools. Jefferson City is also home to the richly diverse and historically significant, Lincoln University. Take a short 30-minute drive to Columbia and you will find the renowned University of Missouri and home of the Mizzou Tigers.
